Subject: OCPI Sharepoint Site Update

Hello! Wanted to let you know that I just added a "Crisis Communication Toolkit" Folder to our [OCPI Sharepoint Site](#) where I'd like us to collect lessons learned, templates, processes, checklists, helpful hints, etc. for the next time we might be supporting an emergency response effort. Please feel free to post there and know that we will ask for your input as we debrief on GKM support this next week.
